## Youth Take Action - Consent Form for Photography, Video and Media Release

During your participation with Volunteer Comox Valley programs, pictures and video may be taken to promote awareness of Volunteer Comox Valley programs. Such forms of media are important as they allow us to promote volunteerism and our projects in the community. This form is for obtaining permission from the person or persons who have been photographed or featured in video – as well as any media created by or containing this person throughout the course of the project.

I (19 years or older, or parent/guardian of project participant), \_\_\_\_\_ **give consent to the use of images, video and media for the purposes outlined in this form.**

- I am a person of legal age, or
