Position Details

Habitat for Humanity VIN is gearing up for the most ambitious build program in its history! With construction happening in both Campbell River and the Comox Valley in 2017 (and onward), we have secured funding to purchase a 15-passenger 'Builder Bus' to transport volunteers to the build sites. Volunteer bus drivers with CLASS 4 Licenses and clean Driver's Abstracts are needed on an 'on call' basis for build projects and other special events throughout the year. It would be a bonus if you also have First Aid and/or CPR! If you love bus driving, engaging with people, AND you support Habitat's mission to build safe and affordable housing for local families, then this is the job for you!

Tips and tricks for a new volunteer

- 1. Choose Wisely/Research and Do Your Homework:** There may be a specific aspect of animal welfare that is very important to you. Are you passionate about spay/neuter? Homelessness? Animal therapy? Pet nutrition? Take the time to seek out an organization whose mission speaks to you.
- 2. Ask For/Offer Referrals:** Let people know that you are looking to volunteer, and what your interests are. Your own community is an ideal place to reach out when looking to be connected to a group that means something to you. Once you find something you love—spreading the word is a great way to further the cause.
- 3. Don't Overcommit:** As eager as you are to make a difference, you don't want volunteer projects to rule your schedule. Make sure you balance your time carefully so that your professional life or family time doesn't take a critical hit.
- 4. Have Fun:** Helping others is its own reward, but it shouldn't feel like a chore. Even the most mundane task can be fun if you manage it with a sense of humor and excitement for making a difference.
- 5. Consider Your Skills:** Ask yourself what you have to offer: What skills do you have and how can they translate to helping your animal welfare agency? If you're a good photographer, maybe you can take pictures of the animals up for adoption.
- 6. Learn Something New:** Yes, you've got something to offer, but what else can you get out of this experience besides the joy of giving back? Trying things that may be out of your comfort zone forces you to learn and adjust—a skill all of us can benefit from.
- 7. Combine Your Goals:** Look for volunteer opportunities that will help you achieve personal goals in addition to the goal to do good. Maybe you want to shed a few pounds? Find a shelter that needs a dog walker.
- 8. Pull In The Same Direction:** While you may have your own ideas on how things should be done, remember why you are volunteering—everyone is there with the same good intentions.
- 9. Involve Your Friends and Family:** When a family volunteers together, it's a win-win for everyone. The experience can bring everyone closer together, teach young children the value of giving, introduce skills and experiences never before encountered, and create special memories.
- 10. Be Yourself:** Bring your heart, your sense of humor, and your enthusiastic spirit to your volunteer service.
